

The Bookstore Ministry

The mission of our Bookstore is to provide an experience of deepening our spiritual understanding through written word, electronic productions, and visual art forms.

The duties for volunteers in the Bookstore include arriving before Church and setting up displays of books and gift items made available to the congregation before

the start of services as well as during the post service fellowship hour.

Bookstore volunteers benefit from having an experience in retail operations, ordering procedures and transaction processing.

Training in these areas is provided.

Building and Grounds Ministry

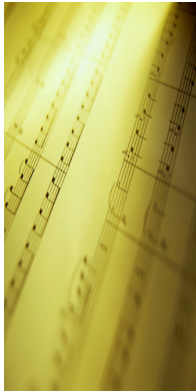

The mission of this team is to dedicate itself to the beautification and proper maintenance of our property and buildings. Their work is ongoing as new plants make their way into our landscape and plans for building expansion takes shape. **If working directly with the soil, nurturing the processes of growth and demonstrating what it means to be a “good steward” of our planet Earth holds meaning for you... this may be the best and easiest way for you to serve as a volunteer at Unity of the Keys.**

Social Fellowship Ministry:

The mission of this ministry is to create opportunities for our members to share time together outside of our regular Sunday meeting, as well as during after-Service fellowship times. Duties include providing refreshments before and after our Sunday Celebrations, and working on a team to coordinate and serve our monthly pot-luck lunches. We also arrange a variety of activities outside of the church setting, including gardening, cooking classes, book clubs, singles activities and many more. **Deepen your**

friendships while being a bringer of Joy and Connection to our Spiritual family!

Music Ministry

The mission of the Music Ministry is to enhance the spiritual growth and joy for the Unity of the Keys family through our musical service and celebration.

To *enthuse* is to fill with God... and our music team is the perfect vehicle for those who wish to step out and express their love through song.

Volunteers will meet weekly for rehearsals with the Music Director in preparation for special services, i.e. Easter. Establishing a Sunday Choir and including selections for talented instrumentalists are among our

Music Ministry goals.

Office Assistant Ministry

This is a place for people who like to be in the “hub” of all the activity. Assisting our office staff is an ever changing and always interesting enterprise. You will learn how to use office machinery, greet people who come through our doors during the week, get to know the minister and all those who work throughout the week to make Unity of The Keys such a successful and vibrant place! Training is available for this position.

Platform Assistants:

are people who help the Minister in creating a celebration and worship service that flows well and inspires all. Duties include leading the congregation in affirmations, reading the Daily Word, acknowledging our gratitude to those who served today, and presenting the meditation segment of the service. **This is an excellent place for those who wish to gain confidence in public speaking skills and practice the gift of**

creating God centered meditations. Serving as a platform assistant can give you a profound experience, as you connect with God and the whole congregation. Training is available for this volunteer position.

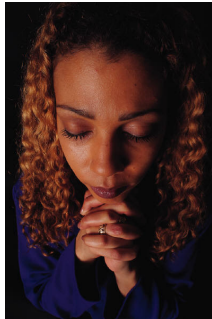

Prayer Chaplain Ministry

The mission of the Chaplaincy Ministry is to be a resource for those attending Sunday Services who are desiring private, individual prayer time. Duties include being available on Sundays for meeting with those requesting prayers and alternating with other chaplains in blessing the Prayer Box during the Sunday Service.

Anyone who gives, receives more than the one to whom they give. Prayer Chaplains pray with others and interact with them in a loving, empathetic and deeply spiritual way. In return they find the time spent to be fulfilling and rewarding.

A two-week *Prayer Chaplain Training*, and a three-week *Power of Prayer Class*, are required and available to those wishing to become a Unity Prayer Chaplain.

Prayer Team Ministry

The mission of our Prayer Team is to respond to the prayer needs of members and to also build a strong, ongoing spiritual consciousness in support for our staff, the mission and goals for Unity of the Keys. Duties include presenting the Prayer Box for blessing during the Sunday Service, receiving the names of those requesting prayer, as sent via email by the Team Leader, and conducting a daily practice of prayer for those individuals. Members also attend a monthly

Prayer Team Meeting.

Every time we pray we bless not only the ones we pray for, but also ourselves. Being a member of the Prayer Team is soul satisfying. There are few activities that contribute more to the well being of so many. Training, *The Power of Prayer Class*, is required and provided for Prayer Team volunteers.

Spiritual Social Action Team

Our mission is to improve and empower the human experience within the congregation and in the community-at-large through social action programs. We will be developing, sponsoring or participating in social action programs which provide spiritual, intellectual and physical relief, support and growth. Members of this team will meet on a regular basis to plan and implement various projects throughout the year. *Habitat for Humanity*, *Meals*

on Wheels, local soup kitchens, and *Hospice of the Lower Keys* are just a few examples of the sort of activities which can use the assistance of our Unity Team.

Volunteers on this team have the satisfaction of making a direct and immediate difference in the lives of many people in our community. At the same time they make new connections and friendships with other agencies and Church organizations here in Key West.

Usher/Greeter Ministry

The mission of the Ushers and Greeters is to help create a warm, welcoming environment and to serve the logistical needs of the members and the visitors who attend Sunday Services at Unity of the Keys. Duties include serving on a rotating schedule of Sundays where team members participate in both pre-service set up and post service clean up of the sanctuary, giving out bulletins and assisting with seating. During the service, ushers remain alert to welcome late comers, pass out Welcome packets and circulate the offering bags. **Ushers and Greeters are able to connect with members and visitors in a meaningful way. They represent not only our open doors here at Unity but also our open hearts.** Training is available for this position.

Visual Aid Ministry

The mission of the visual aid ministry is to provide a clear visual accompaniment to the song selections and congregational affirmations. Volunteers will be operating the power-point system during services. Expansion in this ministry will eventually include recording the service using a digital camera and then making that recording available on the Unity of the Keys website.

This is a great place to practice skills in technology and teamwork!

Youth & Children's Ministry

The mission for our Team is to provide a safe, loving environment where our children can receive a spiritual foundation for their lives based on Unity Principles. Our teachers foster positive self image, personal responsibility and acceptance in every class they lead. Teachers need to arrive in time to join with the other volunteers for pre-service prayer. They will then receive easy, clearly stated lesson plans and have time to set up craft and other materials. Each class includes a time for greeting, singing, a story or lesson, affirmations, an offering time and crafts designed to enhance the day's lesson. **Serving the Youth of our church is the best and fastest way to reconnect with the innocent, fun loving "child in you"!**
